Farm Land for Sale.

A FLOW WILL UNCOVER MORE WEALTH THAN A DRILL.

A CALIFORNIA FARM will make more money for you than your present occupation. Whatever you produce will be yours alone. Now you may open up a vein of ore worth a fortune, but all you get is wages.

On the farm you will work it the sunlight. You will eat fresh eggs, cream, butter and meat—all at first cost. Your family will be healthier and more contented.

Land is a better investment for a miner than life insurance. It is life insurance in an investment while you remain in your present work, and will be a life preserver when you make it your home.

MERCED COUNTY is now the best place for a man with small savings to get a foothold, and it is the best place just now for the investment of either small or large capital.

The soil will grow anything planted, and an abundance of water is supplied from the Merced River for irrigation.

Four railroads assist good local markets in carrying for your crops. Tidewater is only sixty miles distant, and San Francisco but four hours' ride.

Write for a FREE ILLUSTRATED BOOKLET which will tell you how much this land will produce, how little it will cost you and on what easy terms you may buy it. We permit a limited number to make monthly payments. Write at once. You have waited a good many years for the opportunity. Tell us the number of acres you want and the amount you can afford to pay down. Have your friends write us too.

Debating Club. The "Current Topic and Discussion Club" which held a very successful initial meeting last week, will come together for the second time this evening at 7 o'clock. At this meeting members will be signed up and officers elected. The usual events will also take place and it is desired that everybody intending to be present bring with them some current event taken from their newspaper or magazine. After a review of current topics the Mexican question, brought up at the last meeting, will be discussed further.
